

# LINWOOD E. HOWE ELEMENTARY SCHOOL

# Community Support

Linwood Howe Elementary in Culver City serves over 560 kids in grades TK-5. Located in the heart of downtown Culver City, the students and families are frequent supporters and customers at all of our neighboring businesses.

# Supporting Your Neighborhood Public School

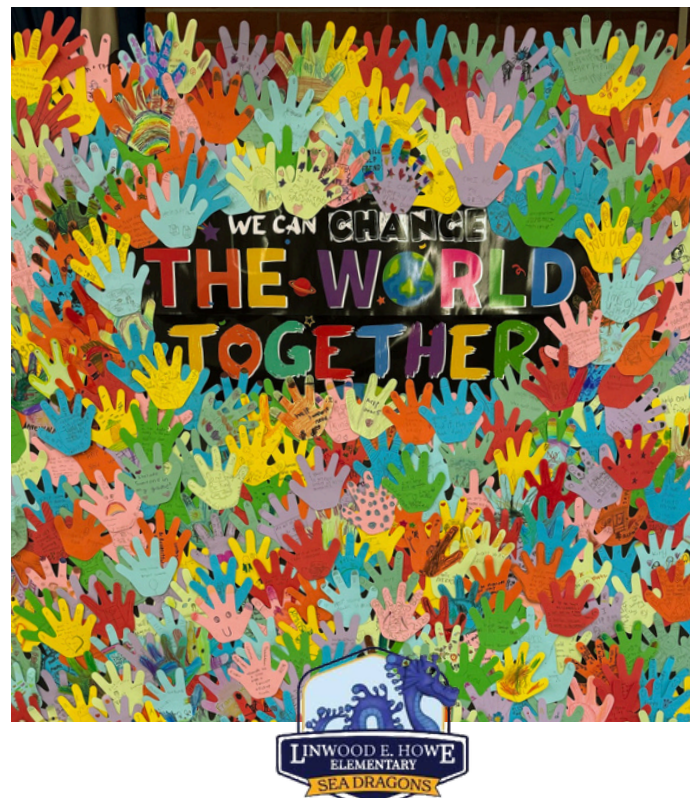

Every year, we ask families and friends to help bridge the gap between what our school needs and what the state and our district has budgeted. Our families have already donated over \$45,000 this year but unfortunately that is not enough. We rely on community partners like yourself to help fulfill those extra needs.

We have created sponsorship opportunities that we thought our neighboring businesses might enjoy but would equally love to collaborate with you on what makes the most sense for your business.

*Donations are tax-deductible to the extent permitted by law. We partner with Linwood Howe's PTA and Culver City Education Foundation to receive and allocate funding.*

### Lin Howe Jog-a-thon

Linwood Howe

We are a school where student learning thrives and children feel good about the place they call their school.

Our goal is to fund 1 part-time aide per grade level.

Instructional aides provide vital assistance to both teachers and students by helping create a positive, organized, and effective learning environment where small group breakouts are possible.

Dear Friends and Family,

I am lacing up my sneakers next month and running my best at my school's Jog-a-thon. I'm excited to be a part of it because this event raises money for classroom aides next year. My class won't have the extra help without your support.

Will you help me meet my goal by making a pledge per lap or a simple flat donation?

Thank you for all of your support and encouragement!
